[54] COMPOSITIONS BASED ON DIMETHYL DISULPHIDE WITH A MASKED SMELL

[57] Abstract: The present invention relates to organic sulphides and more particularly to dimethyl disulphide. According to the present invention there is provided a composition based on dimethyl disulphide (DMDS) which has a masked smell and which comprises, by weight, at least 95% of DMDS, less than 500 ppm of methyl mercaptan, less than 100 ppm of dimethyl sulphide and not more than 1 % of at least one odour-masking agent. The DMDS compositions according to the present invention have an effectively masked smell.
